FOR PRESIDENT,
WILLIAM HOWARD TAFT.

NOTICE TO DELINQUENTS.

Owing to the fact that many of our subscribers on the Rural routes are dropping behind in their accounts and the amounts thus continue to increase from month to month, and that a large number of them ignore our repeated demands for a settlement, we have tired of sending THE PUBLIC LEDGER this way and then realizing nothing in return. Besides, it is very expensive to us and a violation of the postal laws; therefore we will send another statement to each delinquent and then take such legal action necessary to get what is due us and at the same time meet the requirements of the Postoffice Department. Respectfully,

A. F. CURRAN.

Till Harmon and Bryan die off or cease having ambitions the Democrats needn't expect to have peace.

The Colonel can nominate himself in a little convention of his own and nobody can stop him from doing that.—New York Herald.

Foolish Philosophy.

There is no distinction in owning an automobile any more, nearly as many people own automobiles these days are going around the world.

The man who abstains from evil because of fear of punishment, is almost regarded as a sinner; yet he is probably the most reliable good man we have.

The half hour stroke on a clock serves no other purpose than to cause you to wonder what time it is.

There is this difference between a piano and an automobile; all the boys in the family will take lessons on an automobile.

Since the Constitution says that all men are equal, was Abe Lincoln unconstitutional?

The man with an old automobile attracts more unfavorable attention than the man who gets along without one. The man who has none may say that next year he intends to get a better one than anything on the road this year.

I have no great pictures in my house. I don't need them; I can go outside and see better masterpieces.

Every riot emphasizes the fact that riots are easily organized, and that the leaders are usually able to secure a compromise.

If a woman's judgment is bad she trusts her intuition.

No, Cordelia, the grass widow is anything but green.

Most men have yearned to fly or to be a little fly from the first.

Many a man is kept busy during his spare time in explaining things to his wife.

As soon as a woman discovers that she is unable to reform her husband she begins on her neighbors.

Men have been fighting fiercely for liberty ever since time began, yet the great majority of men have always favored liberty. Why has the minority been able to continue the turmoil so long?

Our way of waging war is better than that adopted by the Mexicans. I am a soldier, but my commander is the editor of my favorite newspaper, and I am at no other trouble or expense than the ten cents a week I pay for a daily battle for my principles.—Ed Howe.

Political Pickings

Indianapolis News: Underwood has got the Alabama delegates, so that gives him a place in the percentage table, anyhow.

Kansas City Journal: Nebraska is one of the original insurgent states whose opposition to Taft was counted on from the start.

Pittsburgh Dispatch: Remembering that the contest between Roosevelt and Taft was to be kept entirely clear of personalities, there are persons who have an unbolty curiosity to see what a campaign of personalities would sound like.

Courier Journal: "They have heard a good deal from me on the stump," says Teddy, "and they'll hear more." Sure! On the stump, off the stump, anywhere, everywhere, any time, all the time, until time or Teddy shall be no more.

GENES OF ORATORY.
Vienna (Cor.) Chicago Post.
Here are some gems of oratory from the late sessions of the Austrian Parliament:
"I have already said all I wish to say, and therefore willingly withdraw all I might still say."
"I cannot longer keep silent without saying some words."
"Locomotive engineers stand with one foot in crime, and with the other gnaw the rage of hunger."
"A funeral procession always has something mournful about it, especially when the decedent was a human being."
"If I am a parliamentary deputy I am still human."

The city of Cleveland has offered to pay a penny for every ten dead flies delivered at the Health Board's office. Children are "swatting the fly" in great numbers and reaping a harvest of the copper coins.

Tragedy in Carlisle

Carlisle Advocate.
Live Jones, colored, was arrested last week with five quarts of whiskey in his possession. Monday he pleaded guilty and was fined \$20 and cost in Judge Plummer's Court. The whiskey bottles were broken in front of the city building and their contents flowed into Brushy Fork.

Woman's Club Meeting

The Home Economics Department of the Woman's Club will have charge of the first regular meeting Saturday afternoon, April 27th at 1:30, in Miss Jessie Yancey's office. The speaker will be Miss Aubyn China, Chief of the Home Economics Department of State University. Her address will be a general introduction to Home Economics. The address is open to the public. All are cordially invited. A business meeting will be held after the address.

Titanic Echoes

While no reward has been offered for the recovery of Colonel Astor's body, it is known that \$1,000,000 will be freely spent in an effort to find it.
More than a hundred bodies of the Titanic victims have been recovered.
The suggestion that the Titanic struck a ledge of rock and not an iceberg is made in the current issue of Nautical Gazette.
Frederick Fleet, a lookout on the Titanic, testified before the Senate investigating Committee that had the lookouts been furnished with spyglasses, as he alleged they were not, the iceberg might have been sighted in time to avert the disaster at sea.

P. J. MURPHY, THE JEWELER AND OPTICIAN.

Samuel Untermyer of New York and R. H. Farrar of New Orleans will conduct money trust investigation; doubtful if Cummins' bill giving to baco' independent right to appeal from Supreme Court decision passes House. If it does the President will veto it.

And Butter Per Pneumatic Tube
That item about J. B. Haggins planning to pipe milk from his Elmendorf dairy to the hotels and restaurants in Lexington, is still going the rounds of the press.

One exchange suggests that rubber tube connections might be made with the cows and then the guests might do their own milking while seated at the dining table.

GREAT MASS OF PROOF

REPORTS OF 30,000 CASES OF KIDNEY TROUBLE. SOME OF THEM IN MAYSVILLE

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who had used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Maysville is no exception. Here is one of the Maysville cases.

Mrs. John Wallingford, 108 Commerce street, Maysville, Ky., says: "I am glad to confirm the testimonial I gave in 1900, recommending Doan's Kidney Pills. Several of my neighbors have been cured of kidney trouble by this remedy, and a member of my family was also cured of a serious case of kidney complaint by its use, after other medicine had failed. Every once in a while I get a box of Doan's Kidney Pills at J. J. Wood & Son's Drug Store, and use them. In this way I keep my kidneys in proper working order and ward off any kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

ATTENTION, MEN!

Let C. F. McNamara make your Spring Suit. I represent E. W. Price & Co. of Chicago, the strongest line of made-to-measure clothes in the world at popular prices. They specialize on suits made as you want them from \$15 to \$25. Others must ask \$30 to \$40 for the same. This is the only house in the United States strong enough financially to control its own patterns, thus assuring you against being overcharged. Ask for the staples, not the pattern sales. Now, this line is a realizer. Remember, we dry clean; others try.
